MOUNT PLEASANT, Dec. 14.—The
stores of town have taken on a holiday
air and already the Christmas trade
has begun. The merchants are antici-
pating the greatest trade this
Christmas that they have enjoyed for
some time. While the amount of goods
that can be bought are limited, local
merchants have given special atten-
tion to their buying but insist that
people shop early, to get the best. The
Union Supply stores are fully decora-
ted and are catering to their trade.
Tuesday and Wednesday, were pay
days at the brick works. This makes
more business for the town, while all
the surrounding independent work-
ers are running full time and are paying
their men. The Bryce Brothers glass
factory and the L. E. Smith glass fac-
tory are running full time and pay
every Saturday and this, with the
Peoples Bank starting their Christmas
savings checks out yesterday, tends
to make this a prosperous time to the
merchants.

at the Methodist Church there was a
handkerchief shower for the benefit
of the bazaar and food sale that the
ladies will conduct in the National
Hotel rooms on Friday and Satur-

ANNUAL SALE OF FURS

There are Years of Luxurious Satisfaction in a Christmas Gift of Revillon Furs

These are such Furs as every woman dreams of owning. Made from fine selected skins, dressed and dyed to glossy suppleness and fashioned into Coats and Sets which have the style and smartness seen only in the ideas of the best French designers.

Easy Way to Get Rid of Itching

Don't worry any more about that itching skin-trouble. Just get a jar of Resinol ointment and a cake of Resinol soap at any drug store. With the Resinol soap and warm water bathe the itchy places thoroughly, until they are free from crusts and the skin is softened. Dry it very gently, spread on a thin layer of the Resinol ointment, and cover with a light bandage. If necessary to protect the clothing. This should be done twice a day. Usually the distressing itching and burning stop with the first treatment, and the skin soon becomes clear and healthy again.

Choosing Your Shampoo Soap
If you select a soap that contains soothing, healing properties like the Resinol in Resinol soap, you are not likely to have trouble with dandruff, loss of hair or itching scalp. Ideal for the youngsters' heads.

A REMARKABLE SCIENTIFIC DISCOVERY

Tells How Nerve Insulation Quickly Stops Pain and Alleviates Inflammation. Even Rheumatism, Sciatica and Neuritis Yield to Marvellous New Discovery

The nerves of your body are like electric wires. They carry the nerve energy (neuro-electricity) which is generated in the brain, to all the cells and tissues. The nerve sheaths are insulated to resist a current of about 4/1000 of a volt as has been proven with the aid of Lord Kelvin's galvanometer, an instrument so sensitive and accurate that for the first time it is now possible to measure the strength of nerve currents.

It has been found that whenever acute inflammation occurs the insulation of the nerves is broken down, making it difficult, and often impossible, for nature to heal the surrounding cells. Germs cannot live in healthy tissues; it is only through damaged cells that they thrive and spread. Obviously therefore, the right way to successfully treat inflammatory disease

is to quickly repair the damaged insulation and enable nature to restore the diseased tissue to a healthy condition. Ion-o-tex Unguent does this.

Ion-o-tex Unguent is not a drug. It does not contain opiates or narcotics. Its action is entirely mechanical. Applied externally, it penetrates the tissue and surrounds the injured nerve sheaths with an insulating bath. Then the inflammation subsides and nature quickly repairs the nerve lesion—you are well. Don't suffer another minute. Just go to A. A. Clark and get a large jar of Ion-o-tex Unguent. It costs little, use as directed and if you cannot say that it is the greatest means ever devised for conquering inflammation wherever it exists, your money will be cheerfully returned without a question.—Adv.

ELKS MINSTRELS AGAIN MAKE HIT

Comedians and Singers Put Show Over With Bang at Second Performance.

The second performance of the Elks Minstrel show at the Soloson last night was a bigger success than on its premier the night before. Comedians and singers put their songs, jokes and dances over with a bang and the large audience went home pleased with the entertainment provided them.

Stonora went to John Brown, who with his three piano players, Franz Keller of Scottdale, Howard Hoppert and W. P. Sherman, threatened to break up the show. Brown scored a hit seldom equalled in an amateur show with his song, "I Love a Piano," and his companions accompanied him in Irving Berlin's ragtime on three pianos. The audience liked Brown's singing and comedy antics so much that applause continued almost all most through the pianists' medley of popular songs until John came on at the finale of the act tugging at a tiny piano at the end of a heavy cable, and proceeded to tell how much "he loved a piano."

"Doc" Huston's clog dance, Harry Louden's and song, Dixie and Guest, the comedy acrobats, Miss Roselyn Frey's dance and Jim Barnes' singing act also went big.

Kiefer's orchestra played for the show and also for a dance at the Elks club afterward. Members of the company and Elks showed how much they loved a piano by assisting in the opening of a piano from the theatre back to the clubhouse so that the dance might be held.

McGUIRE-LEVINE BOUT WILL BRING OUT A BIG CROWD

Windup of Moose Boxing Show Brings Classy Scrap-pers Together Tonight.

WIMLER BOYS ON THE BILL

Eddie to Clash With Mat Henderson in Six Round Encounter and Chalky To Go Same Distance Against Jimmy Crowley; Turner to be the Referee.

The 1916-1917 boxing season will be opened at Slavish Hall tonight when the Moose will stage three bouts. Since there have been no bouts here for over a year a good crowd is expected, especially so because the program includes fighters who will give the fans lots of action and insure them the worth of their money.

The windup will bring together Barney McGuire of Johnstown and Tommy Levine of Pittsburgh for 10 rounds. McGuire bested Ed. Wimler here last winter and made a fine impression. Since that time he has gone up against the best in his class and scored a number of clean cut victories. Tommy Levine has also fought here. He is a sturdy lad and has been going at a fast clip in recent bouts in Pittsburgh. His followers insist that he will make McGuire busy.

In the semi-windup Eddie Wimler will box six rounds with Mat Henderson. The blonde Dutchman has been training hard lately and has won over several good men in the Pittsburgh district recently. In Henderson he has a hard nut to crack.

Chalky Wimler, Eddie's brother, will open the show with Jimmy Crowley. Chalky has fought here before but Crowley is a newcomer.

Mat Henderson, Eddie Wimler's opponent, hails from Altoona and besides being handy with the gloves is something of a wrestler. In a match at Johnstown Tuesday night he failed to throw Joe Varca twice in an hour as he agreed to "cutting only one fall after 20 minutes."

Barney McGuire will meet Johnny Ray at Charlaton on December 21. On Saturday night of this week he goes up against Red Dolin in the southern sensation at Pittsburgh taking the place of Dick Sanders, who was thrown off the card.

The show will start at 7 o'clock. William Turner will be referee.

JOURNALISTS FIGHT TRUSTS

Association Claims That One Man Controls Vienna News-papers.

SPECIAL TO THE COURIER
VIENNA, Dec. 13.—Concordia, a journal the association of 1,000, consisting of German-writing newspapermen of Bohemia, Salzburg and the Tyrol, has involved itself in a bitter controversy, and in doing so is throwing some interesting side lights on the newspaper situation in Austria by charging that a definite effort is being made to assemble the press of Vienna in a gigantic trust.

Felix Councillor Sieghart of one of the largest of the Vienna banks is the main the Concordia is fighting, and the journals claim he not content with controlling a large part of the Vienna papers is now trying to extend his sphere of influence to Bohemia and the Tyrol. The control is being exerted, they claim through the banks, and they want the new government to take a hand in the interest of a free and independent press.

Felix Councillor Sieghart when the attack on him opened defended himself vigorously and in a communication to the new Koerber ministry declared, first, that he is not an owner of a large part of the Vienna press, second, that he has no intention of controlling the press of Bohemia and the Tyrol, and thirdly, that he never had any intention to create a newspaper trust.

Concordia returned to the attack with another communication to Koerber, in which the association declared that Councillor Sieghart controlled the Vienna "Freundeblatt" and its adjuncts, the "Military Press," the "Vienna Allgemeine Zeitung," the "Illustrierte Wiener Extrablatt," the "Neue Wiener Tagblatt," the Austrian Volkszeitung and the Vienna Arbeiter Abendblatt.

As to Bohemia and the Tyrol Concordia enumerated the purchase or control through the Sieghart bank one Prague daily paper and seven provincial papers—papers which are financially bound up with many others in Salzburg, the Tyrol and Upper Austria.

Many Adopt Plan to Raise Money for Wounded Soldiers.

By Associated Press
LONDON, Dec. 14.—In these days when nearly everybody is giving up something to the cause of the war, pet animals have played a prominent part as a form of war charity. People have given their dogs and cats to charitable institutions to be auctioned off to raise money for wounded soldiers. So many unusual pets have been offered as to make them a burden to the animal protection societies.

At a recent sale many of the cats and dogs were old, decrepit and dirty, but the bids could be obtained for them and they were handed over to the societies to be put to death by gas.

ROCKWOOD HEARS A NEW STATION IS COMING SOMETIME

Superintendent Eaton Coun-
sels Patience In Chat With
Business Men.

SAYS TOWN MUST TAKE TURN

Many Depot Plans Are Confronting
the Railroad, But Somerset County
Is Not to Be Neglected; New Fire
Whistle to be Arranged for Town.

Special to The Courier.
ROCKWOOD, Dec. 14.—The Rock-
wood Board of Trade at its regular
monthly session Friday evening had
as its invited guest, Baltimore & Ohio
Division Superintendent O. L. Eaton
of Conneltsville. Other officials, in-
cluding a number of the Baltimore &
Ohio system, also were asked to be
present, but due to important engage-
ments elsewhere sent their regrets
through the medium of courteously
drafted letters. All of them, however,
expressed the hope to attend some
stated meeting of the board in the near
future.

Superintendent Eaton was asked to
address the meeting following the re-
port of the railroad committee. Presi-
dent H. W. Musser, of the trade board,
requested him to submit what infor-
mation he might be inclined to give
on the new depot project. Mr. Eaton,
in well chosen and cordial words,
stated that Rockwood can rest assured
of getting a new depot in due time, but
counseled patience. He said there
were many stations on the Baltimore
& Ohio system, and improved depot
and warehouse facilities are demanded
at numerous points. Rockwood's turn
would come in regular order with the
rest of the towns, declared the super-
intendent, and when his turn came the
new station house would comport in
every respect with the town's size and
general importance.

A change in location with a view to
greater convenience and safety, was
informally discussed by several mem-
bers of the board while new depot
plans were being considered. The
superintendent also touched on this
phase of the proposition, but thought
that the acquiring of real estate for
the purpose would involve more money
than the railroad company would feel
justified in paying.

Messrs. H. E. Miller, H. P. Berke-
bile and W. S. Werner were appointed
a committee to purchase a suitable fire
alarm for the town. There is no longer
sufficient steam in the boiler at the
Baltimore & Ohio roundhouse to blow
the "Wild Cat" whistle as was for-
merly the case, so that some other and
more reliable alarm must be pro-
vided.

The advertising committee reported
having launched a co-operative ad-
vertisement to be conducted by Rockwood mer-
chants on Saturday of the present
week.

Greater attendance on the part of
citizens is desired at future meetings.
The board is just getting down to a
working basis and all residents should
help it boost Rockwood from every
point of the social, commercial and
industrial compass.

President Musser appointed the fol-
lowing committees: Visiting com-
mittee to boards of trade in other
towns: L. D. Sawyer, H. E. Miller,
H. P. Berkebile, H. H. Shumaker and
W. B. Conway. To purchase pack
site, Dr. C. J. Hemminger, S. P. Young,

BREAKS A COLD IN A FEW HOURS

First Dose of "Pape's Cold
Compound" Relieves All
Grippe Misery.

Don't stay stuffed-up!
Quit blowing and snuffling! A dose
of "Pape's Cold Compound" taken
every two hours until three doses are
taken will end grippe misery and
break up a severe cold either in the
head, chest, body or limbs.

It promptly opens clogged-up nos-
trils and air passages; stops sneezing
discharge or nose running; relieves
sick headache, dizziness, feverishness,
sore throat, sneezing, soreness and
stiffness.

"Pape's Cold Compound" is the
quickest, surest relief known and
costs only 25 cents at drug stores.
It acts without assistance, tastes nice
and causes no inconvenience. Don't
accept a substitute.—Adv.
